Brief Introduction

Welcome to Destiny Changers International (DCI). We are an International Christian Outreach Ministry, with our headquarters in Cincinnati, Ohio, U.S.A. Destiny Changers International is a Pentecostal-Charismatic ministry. Graced with prayer, word, worship, prophetic and a dynamic supernatural ministry, DCI is undoubtedly one of the end time ministries that God is using to touch lives around the world. The work of the Holy Spirit is evident in the ministry's supernatural ministry, as people encounter healing, deliverance, total life changes and experience God's awesome power.

Many testify of how the Lord has transformed their lives from ordinary to extra-ordinary Christians doing greater works for the Lord, walking daily in the awesome power and presence of God. Jesus is Lord here and He is high and lifted in all we do!

DCI is passionate about making both a community and global impact through charitable and humanitarian initiatives. The word of God admonishes us to take care of the orphans, widows and poor in Psalm 82:3 "Defend the poor and fatherless; Do Justice to the afflicted and needy" and in James 1:27 scripture says "Pure and undefiled religion before God and the Father is this: to visit orphans and widows in their trouble and to keep oneself unspotted from the world".

Destiny Changers International (DCI) embrace new members who share the same kingdom beliefs, biblical doctrines and theologies. Since members come from all walks of life, we ensure we take you through our membership class, so that we can be in one accord to champion our vision and divine mandate given to us by God to win souls and transform lives.

Our membership class reviews the following with you:

- DCI's ministry beliefs/apostle's creed.
- Our ministry founding leaders and leadership structure.
- Ministry facets and areas of service.
- Our ministry's history, vision and mission statements.
- Membership responsibilities and benefits.
- Becoming a member of our faith family and community as a Disciple of our Lord and Savior Jesus Christ.

Clergy Background Check

Destiny Changers International (DCI) is a Kingdom minded ministry. We embrace our own members who have been duly trained into ministry leadership as well as other clergy who come from different walks of life to join our ministry. However, we do our due diligence with clergy who come to DCI already ordained, licensed, or raised as lay preachers in another ministry, who seek to be a part of us and to join ministry leadership.

We would love to extend a hand of fellowship to you when we have conducted the following background check on you as a clergy:

- We will contact the last church/ministry where you attended as a member or served as a clergy, to confirm your reason for leaving that ministry, how you served, your membership participation etc.
- We will contact two-character references you provide to us to ascertain who you are as a Christian or clergy.
- We will contact your immediate family (spouse & children) and extended family (Parents, Siblings, Grandparents etc.) to confirm your identity, character and who you are as a Christian and or Clergy.
- We will validate any ministry training (Bible School), ordination and license credentials you've earned prior to coming to DCI. If there is the need to advance your theological and ecclesiastical knowledge, we will assist you to do so to remain effective in the ministry and the kingdom of God as large.
- If you are married, we will obtain the consent of your spouse in regard to you being considered for ministry leadership at Destiny Changers International.

Ministry Leadership Training

After you have passed through your background check and membership class, you will be enrolled in our ministry leadership training program, to impact you with the knowledge of God, ministry protocols and any leadership skills that will enable you to be effective in your calling and ministry.

Our ministry leadership program is a 12-week program that is administered by the following ministry facets:

- Destiny Changers International
- DCI Ministerial Network
- DCI Bible Institute

You will be evaluated and vetted upon completion of your ministry leadership program to affirm you have been duly trained and are ready to serve in ministry.

Advance Formal Training - DCI Bible Institute

If we determine you need additional theological training, we will provide a partial DCI scholarship or sponsorship (if available), for you to attend the DCI Bible Institute. This is our contribution to help you grow in the knowledge of the word of God for kingdom impact.

In as much as we value each individual called by God into ministry, we believe in Hosea 4:6 (...my people perish because of knowledge) and in 2 Timothy 2:15 (study to show yourself approved). You cannot remain a lay preacher all your life, but you must strive to obtain deep knowledge of the word of God and a formidable ministry experience to make a greater impact in this world. We desire to see you grow as a believer and clergy in the kingdom of God.

Ministry Practicum - Hands on ministry training and service

Upon completion of your 12-week ministry leadership training program, you will be given the opportunity to serve in ministry under an ordained and licensed DCI Pastor. This will afford you the hands-on ministry training you need as a clergy in the kingdom of God. You may be assigned to various tasks, functions and roles during your ministry practicum period to help you develop the necessary skills you need as a leader in DCI.

The ministry practicum period is in two phases:

Phase I - You will serve for a period of 3-months to apply your knowledge, skillsets, understanding, abilities, giftings and anointings, you have been impacted with in the ministry leadership training and beyond to establish a proven ministry and character. After this period, a formal affirmation of a hand of fellowship, will be extended to you to join the DCI five-fold ministry leaders.

Phase 2 - Hand of fellowship to serve in DCI.

Hand of Fellowship Phase 2

After the hand of fellowship anointing service and credentialing, you will be assigned a role in ministry, working directly under the senior pastors or ministry leaders in DCI, to do the work of God.

You may serve in this ministry service and leadership capacity for a period of 2 to 7 years, this is your phase 2. DCI will give you the opportunity to proof your calling, have a track record in the kingdom of God. This can open the door for you to serve in a DCI ministry leadership role or be released into your own ministry specific assignment by God.

DCI will provide spiritual oversight to you as an ordained and licensed clergy, as long as you are in good standing, with regards to your adherence to the DCIMN clergy code of conduct.

Our ultimate goal is to hear the Lord tell us, WELL DONE, YOU GOOD AND FAITHFUL SERVANT. In your journey in life, remember, your ministry leaders are also vessels in the hands of God and are doing the best they can to help and support you as you answer you call into ministry.

We encourage you to walk in transparency, honesty, good stewardship, gratitude and integrity. Do not bring shame to your leaders, the people of God and the kingdom of God at large.
